

# DOGGY CODE OF CONDUCT

We love all our four-legged guests at Pier One Sydney Harbour. We want them to have a great experience with a few standard guidelines in place.

- **STAY CONNECTED** – Please keep your collar on at all times and be sure you're on a leash while in the public areas of the hotel
- **PLAY NICE** – Please play nice with all other dogs and humans during your stay. Try to keep the barking noises to a minimum.
- **NO DOG LEFT BEHIND** – Please stay with your owner at all times and make sure they don't leave you in the room alone.
- **ENJOY THESE AREAS** – Our doggy guests are permitted in the public areas of the hotel, including the lobby and outdoor areas of Bar One and The Gantry Restaurant. Be sure to check out the Doggy Degustation offered at the restaurant!
- **PLEASE AVOID** – Unfortunately we cannot allow dogs to sit at the indoor tables in The Gantry Restaurant.
- **BRING A FRIEND** – A maximum of 2 dogs are allowed per room
- **POTTY TIME** – Please don't "do your business" inside of your room or on the public pier areas. We have a grassed area located at the Southern end of the pier (near Hickson Road). Alternatively, there is a public park located across the road under the Sydney Harbour Bridge. Make sure your owners pick up after you!
- **OH NO!** – I know it can be hard to resist, but please don't chew or damage any of the furniture. There would be a cost to replace it.
